Inter-site shuttle	MES to SMC SMC to MES	✓ ✓	✓ ✓	AAA

Prices vary according to the stop used. For regular bookings they range from 96p to £5.05. Exact prices and timetables can be found later in this booklet, and a map of each route can be seen on 'my esms'. All prices shown are for a single trip.

Families are welcome to make a regular booking for any combination of morning and afternoon journeys. In the event of oversubscription, priority will be given to those pupils who use the service most often.

For pupils only using the coach service on an ad hoc basis, a slightly higher price is charged for each trip. Ad hoc journeys may be added to a regular booking without this surcharge.

## Health and Safety procedures during Covid-19 pandemic

During the time of the Covid-19 pandemic, we must ensure that both drivers and pupils are protected as much as possible when using the school coaches. Accordingly, the following conditions of travel will apply:

- It will not be possible for pupils to use the first two seats directly behind the driver and these seats will be cordoned off. Please note pupils **must** fill the seats rear to front, as per their boarding.
- Pupils will require to use anti-bacterial hand sanitiser as they enter the coaches and the drivers will be responsible for dispensing this to each pupil. Should a pupil have a skin condition which prevents them from using the supplied anti-bacterial hand sanitiser, parents should provide them with a suitable alternative sanitising product where possible, or disposable gloves, if use of any product is prohibited. Gloves should be removed before entry to the schools and disposed of correctly.
- **All drivers and pupils will be required to wear a face covering while they are on the coaches. NB:** Please note that the face covering worn on the school coaches must be a different one to that worn on public transport.

## Contactless bus fobs and mobile phone App

Each pupil regularly travelling on a school coach will be issued with a contactless fob. Swiping the fob on a tablet held by the driver will register their entry to and exit from the coach. Parents will be able to download a special Kura App to their mobile phone which will enable them to track their child's entry to and exit from the coach. This App works on a live feed and will enable parents to track the route of their particular coach. Should a coach be running late, a text will be sent to parents advising them of the delay.

## Booking procedure

Coach bookings are made on 'my esms'. Parents are invited to book there from Monday, 16 August 2021.

A guide to using the booking system can be found at the back of this booklet.

It is anticipated that parents may wish to change the details of their child's booking through the first half term of the new session, when after school arrangements have been finalised. Parents will be able to view their current booking on 'my esms' and add or cancel journeys as required.

Rebates for unused journeys will be provided where a child has been asked to take part in a school activity. Please contact the Transport Coordinator to arrange this.

All charges for the school coach service are paid through Extras Accounts.

Pupils in year groups P6, P7 and S3 will automatically receive a reduction in transport charges for term 3 to take account of absence from school for Camp and Carbisdale.

**We ask that parents control their own bookings for exam/study leave.** You may wish to leave your arrangements in place, or you may prefer to cancel your booking and then make ad hoc bookings for the journeys your child does need to take during study leave.

## **420 Club**

Junior School pupils who use the afternoon coaches are supervised in the SMC Dining Hall until the vehicles depart at 16:20. The supervisors ensure that all the 420 Club children board the correct bus safely. The price for this is included in the charge for the coach journey.

Pupils are encouraged to do homework but may also talk quietly with friends or play outside under supervision (weather permitting).

Good behaviour is essential at 420 Club. Repeated bad behaviour will result in exclusion from the Club, which would jeopardise the child's place on the coach.

A register is updated daily to show which Junior School pupils are expected at 420 Club; this is based on existing bookings. Pupils sign-in when they arrive at the Dining Hall, and the registers are checked before allowing the coaches to depart.

Children who do not appear at 420 Club when expected can cause the coaches to be delayed while attempts are made to contact the parents.

***It is essential that you contact the Transport Coordinator to let us know if your P4-P7 child is being collected or is not using the afternoon coach service for any other reason.***

## **Our coach operators**

### **AAA Coaches**

Depot: Unit 7, Raw Camps Industrial Estate, Kirknewton, EH27 8DF

Telephone: 01506 883000.

AAA Coaches work closely with ESMS to provide coaches to and from home, and also supply the shuttle bus that transfers pupils between SMC and MES during the school day. AAA vehicles are used for many school trips and camps.

AAA Coaches (and its subsidiary company LA Travel) are Benchmark members of BUSK and carry a six star rating based on safety compliance.

## FAQs

### ***Do the coaches run every day?***

Coach services begin on the first whole day of the session (Wednesday 25 August 2021) and run every day when Junior and/or Senior pupils are in school.

The only exception is the last day of the session (Friday 1 July 2022) when neither morning nor afternoon services will run.

### ***Are pupils supervised before the departure of the afternoon coaches?***

Junior School pupils are supervised at 420 Club. It is the responsibility of Senior School pupils to get themselves on to the homeward coaches.

### ***Where does my child get off the coach?***

Please note that the coach drivers cannot take responsibility for ensuring children get off the coach at the correct stop. We would therefore suggest that an older sibling or friend accompanies a younger child until he or she is confident and sure of the stop to be used. Any child found to be on the coach at the end of its route will be taken back to the depot and kept until collected by a member of the family.

### ***What happens if my child misses the coach home?***

If your child misses the coach at the end of the school day, he or she should immediately go to the closest school office or find any member of staff and tell them what has happened. If we know your child has missed the coach home we will try to contact you as soon as possible. In such an event your son or daughter would then wait in the ESMS boarding house, Dean Park House, Queensferry Road until collected by you. Senior girls would wait in the MES Reception area.

### ***What do I do if the coach is late in the morning?***

You will be able to monitor the exact location of the coach by downloading and accessing the Kura App on your mobile phone. Should you wish to speak to someone regarding the morning coach, please contact Ridekura.com on **0203 434 0597**.

### ***Who monitors behaviour?***

It is a condition of travelling on the school coach that the enclosed behaviour rules are observed at all times. Any pupil who acts in an inappropriate manner will not be allowed to use the coach service. In particular, all pupils **must** wear the seat belts provided during the journey.

Please note that school coaches are not supervised and the schools cannot accept responsibility for children until they reach their classrooms.

Concerns about behaviour should be passed to the Transport Coordinator, Sixth Form coach prefect or class/form teacher.

### ***What happens to lost property?***

**Please contact AAA Coaches directly if an item is left on a coach.**

All the drivers regularly check their coaches and items can usually be found quickly and handed into Junior School Reception. From there, items are passed to the Lost Property team.

### ***Can my child take a friend home?***

Any family wishing to use the coaches to take a friend (or overseas exchange partner) home should check availability before doing so. The relevant charge will be added to the Extras Account.

**What happens if my child loses his/her contactless fob?**

A replacement fob will be provided. However, because the fobs are expensive to produce, a charge of £5.00 will be made for a replacement. This charge will be added to your Extras Account.

**How does my child travel back from Games?**

Most Games for P5 to P7 pupils and Senior boys take place off-site. Junior School girls go to Ravelston at MES. Junior/Senior boys travel to Inverleith, East Fettes Avenue or (for some Senior boys) the Spartan's football ground at Ainslie Park.

For those who require it, transport is provided to return pupils to SMC (and Haymarket on certain days). For Junior pupils, the Games register taken each week will be used to ensure sufficient seats are available on the return Games coaches. There is no charge for this service.

**Are refunds offered for unused journeys?**

Unfortunately we cannot make refunds for unused journeys unless your child is asked to take part in a school activity. Please contact the Transport Coordinator in such an instance.

This means that you do not need to notify us for missed journeys by Senior School pupils, nor if your Junior School child is not taking the morning bus.

**What are the adverse weather arrangements?**

Snow, high wind, and serious road accidents can impact the coach service but rarely cause it to be cancelled; it is essential that you keep ESMS updated with your mobile telephone number so that you can be contacted at short notice.

In the event of disruption to either morning or afternoon services, a text message will be sent to parents via the Kura mobile app.

**What happens if the Forth Bridges close?**

Both Dalgety Bay and Dunfermline coaches use the Forth Road Bridge.

High winds can cause the Forth Road Bridge to be shut to high-sided vehicles although the single-deck coaches on our Dunfermline and Dalgety Bay routes are seldom affected. Where alerted to the possibility, the school and AAA monitor the status on <https://www.theforthbridges.org>.

In the event of the FRB being closed, our coaches would then use the Queensferry Crossing.

In the very unlikely event of both bridges being closed, the following procedure will be followed:

*Morning:* If both bridges close early in the morning, a text message will be sent informing parents of the arrangements that have been put in place.

*Afternoon:* If both bridges are closed, the Dunfermline and Dalgety Bay coaches will remain at/return to school. Parents will be contacted to make arrangements for their children to be collected (Junior School pupils will be supervised in the dining hall until 4:20 pm and thereafter in Dean Park Boarding House).

If the FRB is closed and the Queensferry Crossing is open to cars only, the coaches may travel to the car park at Ferrymuir Gait, where children can be collected.

Details of contingency arrangements will be sent to parents by text message.

## Rules for pupils

It is essential that you always act in such a way as to ensure your own safety and that of all other pupils using the coach. In particular please note the following:

- You must not run or push towards the coach as it approaches: this is very dangerous and greatly concerns the coach drivers. The potential for an accident involving a moving coach is obvious. You must not push each other, shout or generally misbehave.
- You must always swipe on and off the coach. Please have your contactless fob to hand, ready to do this.
- You should enter the coach slowly and carefully and sit down immediately.
- **You must remain in your seat at all times with your seat belt fastened.** Never walk up and down the aisle while the coach is moving.
- Do not kneel on your seat to talk to pupils behind you: you are only safe when you are sitting in your own seat facing forward with your seat belt fastened.
- You must not distract the driver by talking to him while he is driving
- You must follow any instructions the driver gives you, without question.
- Quiet talking is permitted, but you must not shout or make excessive noise on the bus.
- You must not eat or drink on the coach. It is unfair and unacceptable that the driver should have to tidy the coach at the end of the journey.
- No litter is to be left on the bus.
- Mobile phones must be used responsibly during a journey and the camera function should not be used. Headphones are required when listening to music or watching a programme and children should not be playing, watching or listening to material unless it is age appropriate.
- School bags, sports bags etc. should be placed on the floor (but not in the aisle or on the seats) to avoid damage to upholstery on the seats.

All these rules are designed with two aims in mind – your personal safety and the safety of every other boy and girl. If you are found to have misbehaved in any way you will be treated in the same manner as if you had broken any other school rule and may be excluded from using the service for a time. On the other hand, if you are concerned by anyone else's behaviour, it is essential that you tell someone about it as soon as you reach school, so that we can do whatever is necessary to ensure that the rules are followed by everyone – we need your help to ensure the safety of all coach users.

## 420 Club rules

Although 420 Club takes place after classes finish, it is a school activity. As such, the Junior School 'Values in Action' apply.

## Terms and conditions

It is a condition of travelling on the school coaches that the following are acknowledged:

1. All children must read the Rules for Pupils above.
2. Seatbelts must be worn for the duration of the journey. Persistent offenders will be excluded from using the coach service.
3. Parents of Junior School pupils must notify the Transport Coordinator if their child is expected at 420 Club but is going to be absent.
4. The coaches are not supervised and ESMS cannot accept responsibility for children until they reach their classroom.
5. Coach drivers and ESMS cannot take responsibility for ensuring children get off the coach at the correct stop.
6. ESMS and the coach company cannot take responsibility for any property left on the coaches. Many items will be returned to the Lost Property team in Home House – check there or contact AAA Coaches directly.
7. Fobs are registered to individual pupils and should never be used by any other pupil. Should a fob be lost or misplaced, a £5.00 charge will be made for a replacement.
8. In the event of the cancellation of a service due to circumstances such as bad weather, a parent must be contactable to ensure appropriate alternative travel/collection arrangements are in place.
9. Pupils must arrive at their pick-up point at least 5 minutes before the scheduled departure time.
10. Charges for the coach service are paid via Extras Accounts.
11. To ensure the safety of both drivers and pupils, the conditions set out during the Covid-19 pandemic, as detailed herein, must be strictly adhered to.

## Coach Booking on 'my esms' – A Guide for Parents

**Accessing 'my esms':** <https://parent.esms.org.uk/>

Your username is the email address we hold as your primary contact detail.

Use the 'Forgotten Password' link if necessary. An email will be sent to your email address offering a link to a website where a new password can be created.

### **Making a Booking: Coach Services/Add Booking**

Bookings can be Regular (permanent for the session) or Ad Hoc (occasional use).

#### **Regular**

Select the child to which the booking will apply.

Identical bookings can be made for more than one child at a time.

The Academic Year is set to the current session. The new session is available from 16 August.

Select the Coach from the drop-down box.

A link to the Google Map for the selected coach route is displayed. You can zoom in to the map to show the position of coach stops.

Clicking on '+' in the AM bar will display the pick-up stops for the morning service.

The days of the week will be shown when a stop has been selected; choose which mornings you require the service. The start date will default to today – you can override this by clicking in the top right-hand corner to reveal the calendar. Use the back/forward arrows in the top corners to move through the months.

Clicking on '+' in the PM bar will display the drop-off stops for the afternoon service.

The days of the week will be shown when a stop has been selected; choose the required afternoons. As with the morning selection, the default start date can be changed if required.

The Terms & Conditions can be reviewed via the link; tick the checkbox to acknowledge them.

Click on Request Booking – a summary of your booking will be displayed, including the weekly cost that will be charged to your Extras Account. Click on Confirm to place your booking, or Cancel to return to the Add Booking screen.

#### **Ad Hoc**

Ad Hoc bookings can be made up to two weeks in advance.

Please note, it is not possible to cancel an Ad Hoc booking once it has been made.

Select the child(ren) to which the ad hoc booking will apply.

Select the Coach.

Open the AM stops by clicking on the '+' and select the pick-up point.  
A list of possible dates is now displayed. Click on the dates required

Open the PM stops by clicking on the '+' and select the drop-off point.  
Click on the dates required.

The Terms & Conditions can be reviewed via the link; tick the checkbox to acknowledge them.

Click on Request Booking to display a summary of the booking including the cost that will be charged to your Extras Account. Click on Confirm to place your booking, or Cancel to return to the Add Booking screen.

### **Coach Services/My Bookings**

This screen displays a summary of all your bookings. Click on an individual booking to transfer to the details screen where the audit log can be viewed. The Cancel button is also shown here.

### **Amending your Regular booking**

First cancel the current booking – select the line from My Bookings, then click Cancel on the details screen. The system will allow you to select the date from which the booking will be cancelled. Now enter a new booking with the revised details.

### **Some suggestions**

**1.** You can have multiple regular bookings for a child. It is likely that your morning transport requirements are more certain from the beginning of the session, whereas your child's after school arrangements will only be confirmed during the first term as clubs and sports teams are settled. It may be easier for you to book your child's morning journeys separately from the afternoon trips allowing the latter to be amended as required.

**2.** Use the Start Date to set up bookings in advance. Similarly, the 'cancelled from' date can be used to cancel bookings where you know in advance that a regular journey will no longer be required.

For pupils attending P6/P7 camps and Carbisdale, the system automatically prevents you being charged for journeys during these weeks. **For other long periods of absence from school such as exam/study leave, please use 'my esms' to amend your child's booking accordingly.**
